GROUNDS MAINTENANCE

The PEC would like to recognize and give thanks to ALL the families that came out and helped with the school maintenance. The grounds look great!

We have Sam Rematore/Dallas Watt Demo to thank as well for their great contribution.

We would also like to thank all the families that came to help with the grounds and the pipe project.

When we come together as a community we can do great things! THANK YOU!

SCHOOL WEBSITE

The PEC would also like to send a special thank you to Ramil Fermista for spending countless hours redoing our website. Along with Michael van der Pauw, Ramil spent the summer working on the new website and did a wonderful job. We thank him for his great dedication and awesome work!!
