*ST. BERNADETTE'S
LIGHTS OF HOPE
CELEBRATION*

This Christmas season we are offering a new fundraiser called the Lights of Hope to everyone in our school, parish, and wider community. Lights of Hope gives us all an opportunity to combine our spiritual needs with the needs of our school and parish. It is a fundraiser that unites us together and fosters individual and communal prayer. We are asking everyone in our school and parish communities to please help us light up the "Lights of Hope Trees" by purchasing light bulbs for \$5.00. In return for each light bulb purchased you are given a paper ornament on which you would write an intention. The intentions will be offered up at our Lights of Hope celebration on December 10th before our annual Christmas Concert. There, we will light up the trees with the bulbs you purchased as a symbol of the hope we are bringing into the world and our community through your prayers.

We are so excited to bring this special event to St. Bernadette's.
