

Coding, Design & Robotics Camp

Location:

St. Bernadette Elementary School
13130 65b Ave, Surrey, BC V3W 9M1

Ages: 6 to 13 years old

Dates: Aug. 22 to 26, 2016

Hours & Cost:

9:00 am to 12:00 pm (\$150/week)

9:00 am to 3:00 pm (\$270/week)

Description:

Through fun building activities, students learn to think like designers and coders by combining engineering concepts, game design, robotics and android app development with the basics of event based programming.

Returning FusionEd camp students will experience a more in-depth exploration of engineering and programming.
