*St. Bernadette School  
c/o Mr. Michael Vander Pauw, Principal*

*Please pass our message to everyone at the School, the Teachers, Students and Parents who have generously donated canned goods, peanut butter, etc. The response to our appeal was so humbling. We know that everyone involved worked so hard to accumulate that many canned goods.*

*As you know, we will be using them to fill up the Christmas Hampers to be distributed to the needy in our vicinity. For sure their Christmas will be much better with the hampers.*

*Again, Our heartfelt thanks to all of you. May our Lord continue to shower all of you with His abundant blessings.*

*Yours sincerely in Christ,*

  
*Emily Oteyza, Secretary*
