John 3:16

SHOUTOUTS:

I wanted to send a big acknowledgment to Mrs. P has been an EA in my nieces class Michaela Drysdale Grade 6 since she was in grade Mrs.. P has been the most amazing, kind, patient, and influential teacher. Mrs.. P takes the time each day to make each child feel loved. Spending lunch times with the girls to do crafts. Mrs.. P is someone we will never forget and who will always have a lasting impact both on our lives as well as Michaela's. Mrs.. P has gotten to know each family member so well. We love coming to school to see her, as she takes the time to say hello and check in, and is always there at the out of school events; Bingo, Fun day etc. Over the years she has not only shown so much love and support to Michaela but also our family too. She has such a big smile that lightens up each child's day. Coming to an end soon at St Bernadette's we are feeling sad at not being able to see her each day. Mrs. P we will never forget you, you have made the biggest impact on Michaela and our families lives. Thank you for all that you do for Michaela and the other children. We are forever grateful. - Ashleigh D.

I just wanted to send a HUGE shout out to everyone apart of the the learning resource team at St.Bs. I couldn't be more grateful for a team that continues to guide and support my child more than Mrs. Bennett and Mrs.P! They continue to build the bridge of inclusiveness in our community and school!!
