A message from your PEC

Your PEC wishes all St. Bernadette families, teachers & staff a most special Christmas Season! This year's celebrations will be smaller and maybe not as busy as we're used to, but may they be just as filled with the gifts of love, joy, peace & most of all, hope for brighter days ahead. We are immensely thankful for all your support - from our collective adherence to our school's safety plan, to our amazing fundraising success, and everything in between. We've had to navigate new circumstances as we opened this school year, & your patience & open communication throughout this process has been invaluable to us. We are truly blessed to be part of a community that cares for one another & is always happy to lend a hand where needed. As we prepare for our Savior's birth, let us continue to pray for & with one another, that we will all remain safe and healthy, at Christmas & throughout the New Year.

Thank you

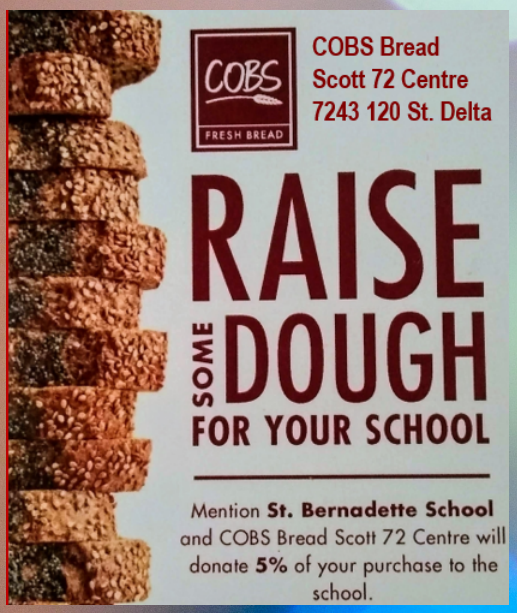
Jesus OUR LIVING HOPE


This Advent and Christmas we are going to focus on blue light as a unifying theme with the words Jesus Our Living Hope.
Blue is the colour of the Blessed Virgin Mary and so signifies trust and confidence in God, purity, virginity, innocence, and birth. It also expresses solidarity with those grieving loss and other hardships this Christmas due to COVID-19. During Advent and Christmas, we encourage the faithful to obtain blue lights and let them shine from their homes as a symbol of the above.
