2022 OUTDOOR ADVENTURE CLUB WHISTLER SKI TRIP

Dear Parent(s):

I am pleased to once again be offering a unique opportunity for grade 5 – 7 students to participate in a club that focuses on connections with nature, development of life skills, and character building. The Outdoor Adventure Club combined with the PHE department, looks to take the grade 5 – 7 students on a variety of adventures such as river rafting, kayaking, ziplining and dragon boating to name a few we have done in the past. **This year we are excited to offer skiing and snowboarding once again at Whistler on January 27th and February 3rd, 2022.** These experiences are curriculum based and offer an invaluable educational experience. We only offer this trip every 2 – 3 years, so we hope you take advantage of this opportunity.

We offer two days because we believe that growth and improvement is witnessed on the second day of the trip. The cost for the trip includes transportation to and from Whistler on a charter bus, lift ticket and rentals (if needed), all day group lesson (typically 5-10 students per group) at their skill level, and GPS trackers for all participants while they are on the mountain. It is excellent value for all that they receive. The instructors are some of the best in their field and do an excellent job teaching the children. Having personally organized this trip four previous times, it is without a doubt a one-of-a-kind experience for the students. From the time we depart to our arrival back home it is a truly interactive and rewarding experience. It is an excellent value for the experience for your child. Rentals are also cheaper through this trip than doing it outside of the school.

It is important that you read the forms carefully and fully fill out the registration, medical and waiver forms. One form needs to be filled out and signed per person attending.

COVID-19 health and safety protocols will be followed at all times. With the announcement of a child vaccine rolling out soon, this will allow for an extra layer of protection for our students.

All signed documents and money are due by **WEDNESDAY NOVEMBER 10TH, 2021.**

Refunds cannot be given if a child does not attend the trip for any reason.

****NO LATE REGISTRATIONS WILL BE ACCEPTED****
please make cheques payable to St. Bernadette School.

If you have any question, please contact me through the office,

Yours in Christ,

Michael van der Pauw
Principal
