STEP 1: ACCOUNT

Whether you plan to shop online or in store you will require an online account.

- New families: Create an account at your earliest convenience on our website at www.cambridgeuniforms.com. Your online school code is: **BAM007**
- Returning families: Log into your existing account and ensure your email, telephone number and shipping address are current.

STEP 2: SIZING

NEW FAMILIES, SIZING

- If you are new to Cambridge Uniforms or your child(ren)'s sizing has changed considerably we suggest an in-store fitting.
- During your visit to our store our staff will guide you through the uniform policy while fitting your child(ren). You will leave with your uniform. Any items that are unavailable will be shipped to you once they are in stock. This is a complimentary shipment.
- Fittings for new students will take 30-45 minutes.

Store capacity impacts the number of families we can serve in a day. If you are able to shop online we encourage this. If you are visiting the store we ask that only 1 parent be in attendance with the child(ren) requiring assistance. It is best to book an online appointment so you can be assisted at the time you choose. You may book your fitting online through our website. Thank you for your patience and understanding should there be wait times to enter the store.

RETURNING FAMILIES, SIZING

- If you have ordered uniforms in the past year you can access your sizing details in your online account. In most cases students require one size up unless they have had a significant growth spurt.
- If there are only a couple of items that you require sizing assistance with you may book an online zoom fitting. We suggest that you have your current uniform on hand which will help during your online fitting. Please also ensure you have a tape measure available.
- Try using the smart sizing tool called "What's my size / Calculate my size". This is found in the size chart of each garment. Follow the guidelines for measuring, enter your child's measurements and a size is suggested based on the measurements provided.
- Re-ordering online is easy and orders are shipped to your home or can be picked up in store.
